Katy Krystal Group, Inc

dba Texas Krystal · Capability Statement · texaskrystal.com

Company Data

- **Texas CMBL Vendor #:** 558392
- Texas small business · Texas resident bidder
- Serves all 25 TxDOT districts (statewide)
- **Email:** accounts@texaskrystal.com
- **Phone:** 832-224-5918
- **Location:** Fulshear, TX

Core Capabilities

- **Microsoft Stack:** .NET / C#, ASP.NET MVC & Core, WCF, Entity Framework; SQL Server development and DBA (T-SQL, tuning, backups, HA); SSIS; Azure (VMs, SQL migration); SharePoint, Microsoft 365 and Power Platform.
- **Full-Stack Web:** Angular / TypeScript and React front ends, REST APIs, responsive accessible UI, modernization of legacy web applications.
- **Data & Integration:** ETL and data pipelines, database migration (on-prem to Azure), reporting, systems integration across agency applications.
- **AI & Automation:** Practical AI and workflow automation, document processing and analytics, built with data-privacy controls.
- **IT Staff Augmentation:** Developers, DBAs and technical leads available as a subcontractor to Texas DIR ITSAC prime vendors.
- **Support & Maintenance:** Application support, 24/7 production operations, software upgrades, compliance-aware (SOX, healthcare) environments.

Past Performance (Staff Experience)

15+ years of enterprise delivery on engagements at **Infosys, Kinder Morgan, Hewlett Packard and BP**, in **healthcare, banking, energy and insurance**.

- Support lead for 120+ secure .NET/SQL Server apps on-prem and Azure; SQL migration to Azure; 24/7 ops
- Energy forecasting & framework apps (ASP.NET MVC, SQL tuning)
- E-commerce on WCF/MVC/Angular, Azure/O365 hosting
- Claims systems; SharePoint development & migration

Differentiators

- Deep Microsoft-stack depth, from database to front end
- Ready subcontract partner for DIR ITSAC primes
- Compliance-aware delivery (SOX, healthcare)
